Fresh Encounter: Experiencing God's Power for Spiritual Awakening

In this study, Henry & Richard Blackaby answer interview questions and teach biblical truths about revival. They also share stories of revival and spiritual awakenings they have personally witnessed. The study will lead believers to grasp and apply six concepts needed for a spiritual awakening: God's pattern for revival, God's discipline, the role of prayer, our heart, repentance, and catalyst for revival. A member book accompanies this six session study. This study will be led by Ed Johnston.

Genesis: Book of Grace

This will be a continuation of the study Vandy Cruise began in January, 2010. The theme of redemption and God's grace is woven all through the Book of Genesis and is foundational in understanding the entirety of God's Word. The class will meet in Room 230C.

SEED

This is a new resource for women from Priscilla Shirer. This is a six part series of short videos that include thought provoking, modern day parables with weekly Bible study guides. Each video stands alone and covers a specific topic. This study will be led by Ashleigh Pruett.

A Passion For Teaching

This six week study is for current teachers in our church and anybody who possibly feels led to teach in our church. We will be using a resource called "A Passion For Teaching" that is produced by Allan Taylor, Minister of Education at First Baptist Church of Woodstock, GA. This study will be a great refresher and encourager for current teachers and will serve as great training for those who are feeling led to teach in the future.
